

## The girl never cries

well, at the movie show  
my eyes got wet  
I saw her  
when I turned my head  
a tragedy of love  
everybody shed a tear  
without batting an eyelid  
she sat there

well, I ask myself  
what'sa wrong with that gal?  
ain't she feel  
cause a heart of stone?  
maybe she's daydreaming  
about some distant world?  
I don't know why  
but I never saw her cry

(she said)  
I won't shed no tear  
when he dies  
I won't feel alone  
when he's gone  
cause the tears in my eyes  
would only be lying  
after all the bad things  
he has done

well, I ask myself...
